Sirs:

In response to the final Office Action dated June 11, 2003 in this case, an Amendment and Request for Continued Examination was filed November 12, 2003. Applicants subsequently desired to amend the claims in the case, and therefore file this Supplemental Amendment and request its entry before consideration of the claims when the case is reopened upon the granting of the Request for Continued Examination. This Supplemental Amendment assumes the Amendment filed November 12, 2003 has been entered, and amends the claims as they stand upon entry of that November 12, 2003 Amendment.

No fee is believed to be due, but if a fee is due, the Commissioner is authorized to charge any necessary fees to Deposit Account No. 50-2510.

Amendments to the Claims are reflected in the listing of claims which begins on page 2 of this paper.

Remarks/Arguments begin on page 11 of this paper.

I hereby certify that this correspondence is being deposited with the United States Postal Service as first class mail in an envelope addressed to: Commissioner for Patents, Alexandria, VA 22313-1450 12/5/03
